Celebrate Singapore's 61st Birthday with Champagne, Fine Dining & a Singaporean Story

In collaboration with Maison Collery, join Eugena Ng-Collery, Champagne Master and founder of Maison Collery, for a specially curated 4-course pairing dinner.

A proud Singaporean, Eugena has dedicated herself to sharing the heritage and craftsmanship of Champagne Collery - a Champagne House founded in 1893 in the historic Grand Cru village of Ay.

Throughout the evening, Eugena will share her personal journey, and the artistry behind Maison Collery's Grand Cru Champagnes, offering guests a rare glimpse into one of Champagne's most distinguished wine-growing villages.

We look forward to welcoming you to Flutes Restaurant for this special occasion, and raise a glass to Singapore's birthday through exceptional food, remarkable Champagne, and a story that connects Singapore with one of Champagne's most historic families.
